

Coronavirus: **Important Update**

Dear Customer,

In light of the current Coronavirus Pandemic, we wanted to share with you the steps we are taking as a business to ensure the wellbeing of our teams, as well as continuity of business, so that we can continue to provide the high level of service that you've come to expect.

The transport industry has been identified by the Government as "essential to the Covid-19 response". We are committed to supporting our customers and colleagues, in line with all Government guidance, to ensure that the logistics Industry keeps the UK moving.

1. We have issued guidance to all employees and driver workforce around [hand washing](#) and hygiene in the workplace and vehicles.
2. We have reviewed and invested in our business, teams and processes to enable all our offices to operate remotely, with staff working from home if required.
3. We have implemented stringent hygiene procedures in our offices, enabling a socially distanced safe working environment.
4. We are encouraging all visitors to scan the displayed QR Code supporting the [NHS COVID – 19 App](#) and adhering to track and trace guidelines.
5. We are monitoring colleagues coming back from [overseas travel](#), or who have been in contact with an affected individual, in line with Government guidelines.
6. We are actively monitoring [official guidelines](#) for any changes to guidance and communicating them to our teams as required

Here at Go2 Drivers Ltd we understand the vital role that you and the rest of our industry play in the supply chain that keeps the UK running and we want to assure that we are doing everything possible to keep our staff safe.

Best Wishes and Keep Safe from all at Go2.
